4 Bedroom apartment for sale in El Pla del Real, Valencia

Magnificent property that combines elegance, comfort, space, and an excellent location. Next to the Alameda promenade and the Túría Gardens.

This exceptional property is located in one of Valencia's most desirable areas, very close to the Alameda promenade and the Túría Gardens. This property is perfect for those who value quality of life, contemporary design, and immediate access to all amenities.

Located on the first floor of a classic 1960s building, this property has been completely transformed through a comprehensive renovation, taking care of even the smallest details to offer a sophisticated, welcoming, and functional home.

It has a constructed area of 127 m², with a layout that prioritizes natural light and spaciousness.

It is divided into four bedrooms, including a master suite with a large, illuminated dressing room and an en-suite bathroom with a rain showerhead.

It has a spacious day area with a kitchen open to the living room, with a central island, and fully equipped with high-end appliances and careful lighting.

The home has highly efficient thermal and acoustic windows with electric shutters. It has split-type air conditioning and central heating. The floor is made of durable and elegant wood-style ceramic.

It has a separate laundry room. It also includes a large storage room on the top floor of the building.

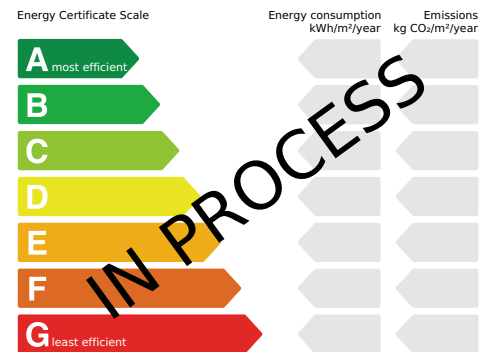

Living here means having Valencia's green area —the Turia Gardens—just a few steps away, with all the advantages of a well-established neighbourhood: public transportation, prestigious schools, university centers, shopping areas, and a wide range of restaurants.

A one of a kind opportunity for those looking for a home with character, in an unbeatable location
