OVERVIEW

Exclusive property in Oropesa del Mar. Completely renovated, with garage, storage room and furniture included in the price. Sea views from all rooms. Ready to enjoy.

The moment you enter the house, you'll fall in love with it; bright, Mediterranean, and with fascinating sea views from every room.

The bay of La Concha beach in Oropesa at your feet, as if you were seeing it from a boat

The property is the result of the union of two apartments, carrying out a complete renovation with excellent qualities, careful decoration and maintaining two large terraces with direct access and views from the dining room living room .

Upon entering the property, we are already enjoying the views of the sea and find a spacious dining room living room with an integrated office space, in case you need to work from home.

The kitchen is semi-open to the dining room, modern in style and fully equipped.

The four bedrooms are arranged identically. Two are on one side of the dining room , and the other two are on the other. Two complete bathrooms, also one on each side.

The property is sold with a garage, storage room and all furniture included in the price.

The building has a communal area and concierge service.

We can also look at this property as a good investment product, since there are no additional expenses and you can start making it profitable from the first minute.

Don't miss this unique opportunity.
