Oportunidad de inversión en Valencia: lote de propiedades premium

Lot of 9 fully renovated residential and commercial properties, brand new, with great potential and high profitability, for sale in Valencia.

Lucas Fox presents this exclusive lot aimed at investors looking to diversify their real estate portfolio with quality, high-yield assets. This lot comprises nine properties, distributed across four strategic and highly sought-after areas in Valencia. They are located in established and areas of the city. All properties are currently undergoing renovation, with an estimated completion date of December 2025.

The complex includes two apartments with three bedrooms and two bathrooms; six open-plan ground floor lofts with bathroom, ideal for urban settings or mid- room rentals; and a ground floor property with one bedroom and one bathroom. The finishes have been selected with special attention to quality and functionality, offering modern spaces ready for immediate development.

This proposal is designed to maximize profitability and reduce risk, thanks to the combination of established locations, typological variety, and appreciation potential. It's an ideal option for those looking to diversify their investment across key locations in the city.

The images accompanying this presentation are indicative renderings, created to show the aesthetic intention and the intended finishing style, although they may not exactly represent the final result.

Information on prices and conditions is provided only directly to interested parties. Prices are not published through this means.

If you're looking for a solid real estate investment with a medium-term vision and backed by the quality of each asset, this residential complex is a great opportunity.
