OVERVIEW

Fabulous property with a swimming pool, 6 bedrooms and a plot of over 2,000 m².

This magnificent classic property is situated on a plot of more than 2.000 m², which allows for large clear spaces as well as a generous size building.

The house is spread over 2 main floors (plus basement), which in turn are separated into two wings. On the ground floor we find a large hall with the main staircase, and on one side the day area, and on the other the night area with the guest bedrooms.

The day area consists of a warm living-dining room, a bright, large kitchen with laundry area, and a guest toilet. The sleeping area consists of 2 double bedrooms and a bathroom to serve both.

On the first floor we copy the distribution of this wing, with both bedrooms and the bathroom, while in the other wing we find a bedroom with an en suite bathroom and, the master bedroom, which has its own en-suite bathroom and dressing room.

In the basement we find a large multipurpose room, a wine cellar and a bathroom. We also find the garage with space for 4 vehicles.
