Excellent 3 Bedroom apartment for sale in Gran Vía, Valencia

Living in a new apartment in the Kingdom of Valencia next to the Turia River Gardens

Newly renovated property on Avenida Reino de Valencia, located on the second floor and overlooking the iconic palm trees of this famous avenue.

It is located in the final section where the avenue widens, which allows for a lot of privacy in the property.

The apartment is divided into two clearly defined areas: the entrance area, which is the day area, where we have a spacious living room dining room room visually connected to a charming kitchen with an island and an invisible induction Cooking Surface system, and a second area with three bedrooms, one of them a suite, and a second full bathroom plus a technical area.

The highlights include herringbone flooring, thermally broken carpentry, ducted air conditioning, home automation, Grohe faucets, and Bosch appliances.

The master bedroom is the star of the house thanks to its generous space and its spacious, private dressing area.

Living by the river in a brand-new property in the Eixample district is probably one of the best decisions you can make in the Valencian real estate market.
