6 Bedroom house / villa for sale in La Eliana, Valencia

Very bright property with a beautiful garden on a plot of more than 1,000m2 and an excellent location

We are looking at a bright, well-built property on a plot of more than 1,000m2 with a fully established garden and various outdoor spaces that, together with the generously sized swimming pool, will allow us to enjoy outdoor living practically every day of the year.

It should be noted that the main floor has a layout of two double bedrooms, a full bathroom and the master bedroom with its own en suite bathroom

And we must also highlight the feeling of spaciousness and brightness when we enter the property, thanks to the well-thought-out layout of the living room, dining room and kitchen, which are connected to each other in a fluid and practical way.

On this same floor we will find another space currently used as a laundry area and storage room

Floor we have a layout with two double bedrooms, a full bathroom and an open space perfect for use as an office, with direct access to two terraces

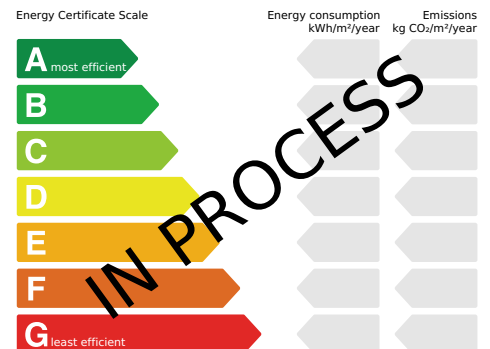

The property is in an excellent location, in a very quiet and safe area, less than one kilometer from the town of San Antonio de Benagéber where you can find all kinds of amenities necessary for daily life; shops, restaurants, supermarkets, ...
