8 Bedroom house / villa for sale in San Antonio de Benagéber, Valencia

Country house with Mediterranean character in San Antonio de Benagéber.

In the heart of San Antonio de Benagéber stands this country house with a unique character, where tradition, spaciousness, and Mediterranean charm blend in perfect harmony. Built in 1986 on an impressive plot of almost 5,000 m² and with over 740 m² of living space, this property offers a serene and exclusive lifestyle.

From the moment you step inside, the property exudes authenticity: high ceilings with exposed beams, semicircular arches, terracotta floors, and a sense of solidity and tranquility that is hard to find these days. The spacious, naturally connected rooms invite both family-friendly enjoyment and social gatherings.

The main house features eight bright bedrooms and three full bathrooms, as well as additional outdoor toilets ideal for use during events or for guests. The main kitchen, in a traditional Valencian style, maintains its rustic and welcoming atmosphere, combining charm and functionality for everyday life.

As an added bonus, the property boasts a fully equipped industrial kitchen, connected to a large glass-enclosed room that was once used for banquets and celebrations. It's no wonder the country house has been the setting for weddings and family events thanks to its spaciousness, privacy, and layout.

La Finca has two separate entrances, offering multiple possibilities for use: private property, tourist accommodation, or professional space. Inside, highlights include several living rooms with fireplace, a library, an study, vaulted ceilings, underfloor heating, air conditioning, and an exterior sound system. Five fireplaces distributed throughout the different rooms add warmth and timeless charm.

The exterior is a true oasis: a swimming pool with a fenced sun deck, extensive areas with mature vegetation, olive trees, palm trees, and charming corners. It also features a traditional paella cooking area, a vegetable garden, garden, stables, and ample parking.

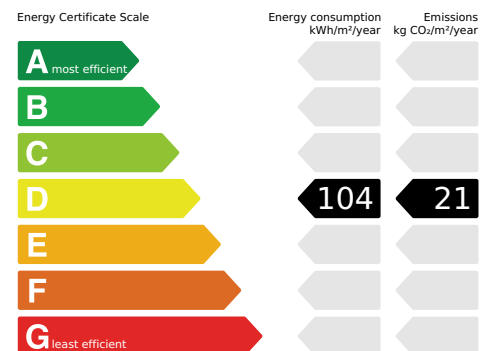

The location is unbeatable: close to the town center but surrounded by tranquility, with quick access to amenities, international schools, restaurants and a direct connection to Valencia.

A property that combines history, modern comfort and enormous potential to become a soulful family-friendly residence, an event space or an excellent real estate investment.
