### OVERVIEW

**Fabulous 15th and 16th century property for sale with a Mudejar tower, gothic cellar, swimming pool, stables and more than 12,000m<sup>2</sup> of fruit and olive trees.**

Located on a hilltop with magnificent views across Valencia, this is a truly unique 14th century property. Its Mudejar style bell tower, which resulted in its first inhabitants naming the palatial property "Torre de Porta Coeli" is a real stand-out feature.

The largest and most important wing was previously used as an olive press and cellar boasting 10m high ceilings and perfectly preserved pointed arches. Beside this we find the main staircase and a courtyard giving access to the night time area, spread across 3 levels, and the kitchen.

The impressive exterior area with its distinct courtyards, gardens and stables draws our attention, in addition to a well and pool area with beautiful views. A unique property in a peaceful and tranquil location.
