### OVERVIEW

**Charming penthouse property for sale in the centre with a spacious living room, 1 bedroom and a generous terrace with views over the historic city.**

On the top floor of a recently built building, in one of the liveliest corners of the historic centre of the city, we find this cosy penthouse property for sale. The property enjoys abundant light through the windows of the terrace and an inner courtyard in the centre of the apartment.

The entrance and hall receive plenty of light coming from the central courtyard, making the whole residence bright and pleasant. On the other side of the patio is the master bedroom which is a bright double bedroom. At the end of this section there is the main room: the living-dining room with integrated kitchen next to the large terrace. The bathroom and utility area and a main bathroom next to the living and dining area complete the layout.

The property is located in a building of recent construction with contemporary materials such as wooden floors and aluminium window frames.

A wonderful penthouse property with a large terrace and views over the historic centre of the city.
