OVERVIEW

Interesting modern renovated apartment with 3 bedrooms, 2 bathrooms and clear views of the Turia Gardens and the City of Sciences.

In one of the most sought after areas of the City of Sciences with unobstructed views to the south we have this fantastic 3-bedroom and 2-bathroom apartment in a modern building and a pleasant area.

The property welcomes us directly into a hall connected with the living room with constant natural light thanks to its perfect south-eastern aspect.

Adjacent to the living room there is a single bedroom that faces the balcony on the facade. Then the property surprises us with a modern, fully renovated kitchen with a gallery for the washing machine as well as cleaning products.

The main bedroom is located on Paseo Alameda and also receives abundant natural light. A bathroom with a shower as well as closet area completes a perfect master bedroom.

A third bedroom to the rear with its corresponding bathroom completes a perfect property for clients looking for quality and tranquillity in one of the most modern areas of Valencia. A large parking space is included in the price of the apartment.
