OVERVIEW

Fantastic 3-bedroom apartment with a study and designer renovation for sale in Pla del Real, Valencia.

In the distinguished district of Pla del Real of Valencia, we have this fantastic renovated property with 3 bedrooms, a study and 2 bathrooms, ready to move in.

The entrance takes us to a spacious hall with a perfect closet for storing coat, etc. Then we are led to a double bedroom and a bathroom in the hallway. We then move on to find a very versatile space with sliding doors that can serve as a study. This area leads to a fantastic living room and a modern kitchen that can be integrated into the living room with a hidden sliding door allowing the kitchen to be made separate when appropriate.

The living room and kitchen overlook a light well with glass, providing the area with extra natural lighting. The living room - dining room leads out directly to a balcony of approximately 6 m². Overlooking the main façade is a second double bedroom and the master bedroom with a built-in bathroom.

The property is practically brand new and the price includes a large garage space as well as the existing furniture.
