2 Bathrooms
158m² Floorplan

OVERVIEW

Contemporary apartment with a 50m² living room, 4 bedrooms, 2 bathrooms and a balcony facing Cirilo Amorós.

A contemporary, designer apartment with high-quality materials for sale in the centre of Valencia. An ideal family property with a large living-dining area, ample kitchen, 4 bedrooms and 2 bathrooms.

The large entrance hall leads to the daytime areas with large windows looking out onto the street. The kitchen, in ivory tones and with unique tiled surfaces, is located next to the living-dining area.

The 2 main bedrooms face onto the façade whilst the 2 smaller rooms are in the more private, interior part of the property.

The bathrooms are spacious and well equipped with high-end, contemporary finishes and an elegant design. Quality, exclusive materials have been used throughout the apartment with excellent carpentry and wooden flooring.

The property is located in the bright third floor of the building, south-facing and with large windows on the façade in both the living area and bedrooms.

A parking space in the same building is included in the price. Renovation work to update the building's communal areas has been approved.

Its location in Pla del Remei, a few steps from Colón, makes this property a wonderful opportunity to live in the most exclusive area of the city centre.
