New build 4 Bedroom house / villa for sale in La Eliana, Valencia

The new standard of luxury in Valencia: five independent residences that define the balance between design and privacy.

In the heart of L'Eliana, a limited-edition project is emerging, comprised of five exclusive residences that fuse modern aesthetics with high-level functionality. Located on private plots of up to 695 m2, these villas represent a haven of sophistication without communal areas, guaranteeing complete privacy.

The architecture soars with panoramic windows that eliminate the barrier between interior and exterior. Each property, up to 220 m2, is a statement of intent: fine materials, world-class engineering, and an open-plan layout that celebrates light and space.

“In compliance with the information obligations set forth in Law 10/2025 on Customer Amenities and Transparency, please note that notary and registration fees, as well as the Property Transfer Tax (ITP) of the autonomous community where the property is located, are not included in the price. Likewise, the corresponding real estate management and brokerage fees are also not included.”
