### OVERVIEW

## Incredible opportunity to buy this house in Monasterios with a mature garden, pool and guest house.

In the upper part of the Monasteries residential area we find this great investment opportunity, a villa to update with a plot of more than 2.000 m<sup>2</sup> and a swimming pool. The mature garden is typically Mediterranean and is a haven of peace.

The property has an area with a barbecue and paella zone next to the pool, and a cosy guest apartment that has a living room, kitchen, 2 bedrooms and a bathroom.

The villa is spread over one floor (with the exception of a study on the upper floor), and revolves around 2 large terraces, one on the main facade, and another, partially covered, on the rear façade. The property welcomes us with a spacious living room with a fireplace which connects directly to the kitchen and the 2 double bedrooms with a complete bathroom, and the master bedroom, which has an en-suite bathroom.

The house has another bedroom and bathroom, a study room, laundry area and a large covered garage. It is possible to add a second plot if desired.
