OVERVIEW

Little country house with a pool and a 1,000 m² plot in Los Monasterios, at an unbeatable price.

Located on one of the quieter streets of the Los Monasterios residential area we find this incredible opportunity to purchase a property that offers excellent value for money.

Currently the plot is included within a double plot which would be segregated to create a fully independent unit. It would then cover 1,000 m² with the existing buildings: a small building used as a guest house, the barbecue area and the swimming pool.

The house consists of a living room with a kitchen diner, 2 bedrooms and a bathroom, as well as a terrace with views located next to the barbecue. The garden is mature and has large trees that provide shade.

The current construction occupies about 70 m², with the possibility to increase the building to 35% of the plot, maintaining the corresponding boundaries with the adjacent buildings.
