Beautiful house for sale in a great residential area near Valencia

Spectacular modern villa with a practical, spacious layout, garden and pool.

Lucas Fox presents a comfortable and spacious property. On crossing the threshold of the house we find a spectacular double height hall that marks the style and identity of this home, with its huge window that illuminates its wide staircase.

On the ground floor we find a living room of 50 m² next to a spacious and modern kitchen, both connected by a stunning terrace with a barbecue by the pool; very practical and functional. There is also a bedroom on the lower floor and a large bathroom.

The first floor offers 4 bedrooms, 2 of them with complete en-suite bathrooms. From the master bedroom you have access to an immense L-shaped terrace of 90° from which you can enjoy the views of the entire plot and pool.

The basement is very well designed thanks to the patio which provides the 2 rooms with natural light; ideal for a games room or office. We also find a laundry area with a service room, a garage with capacity for several vehicles, a storage room and machinery rooms. The house has high quality finishes such as serpeggiante marble and features such as air conditioning and heating.

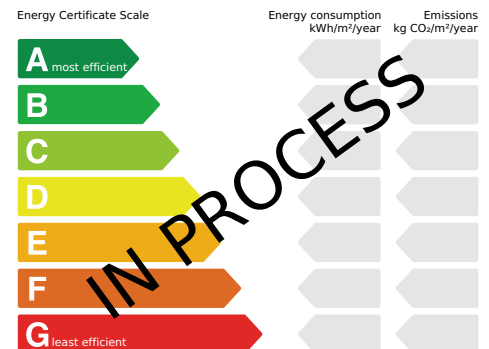

The whole villa is surrounded by a garden with a swimming pool and barbecue. The urbanization has surveillance 24 hours a day and the villa has closed circuit cameras.

Do not miss this opportunity to live in a beautiful, modern villa.
