OVERVIEW

Sunny 3-bedroom apartment with 2 bathrooms, a wonderful private terrace and south-east facing living areas.

An elegant renovated entrance hall welcomes us into this property. The apartment is accessed via the living area which is composed of a living room, dining room and study. This space is filled with light thanks to the 5 carefully restored wooden windows, overlooking the tree-lined street.

Towards the interior are 2 courtyards that illuminate 2 bedrooms and a complete bathroom. In the most private part of the home is the en-suite master bedroom where we have access to a large terrace.

The property is in perfect condition, with elegant restored period windows and doors. The wooden floor is combined with colourful ceramics, enriching the unique design of the residence.

The rooms all feel very spacious thanks to the height between floors in this building which, together with the abundant natural light, make this a wonderful, airy city home with an excellent terrace.
