OVERVIEW

Unique property with abundant natural light, large balconies and a terrace, located right on Plaza del Ayuntamiento. Found on a high floor of an early 1900's building, with a timeless style and bright white interiors.

A property characterised by an abundance of natural light and the colour white, with large balconies and a nice terrace overlooking the Town Hall Square. Located on a high floor of a historic building from the year 1900, the property was renovated 10 years ago with a modern yet classic touch.

All the rooms are exterior, and the layout includes 9 balconies that surround the property, as well as 3 bedrooms, 2 bathrooms (1 en suite), a fully equipped separate kitchen, a large dining room with a western orientation and where you can enjoy views of the town hall.

The renovation was carried out with high quality materials such as macael marble flooring and worktop, split air conditioning and mains gas heating with radiators. The property also has an alarm system and a concierge service.
