3 Bathrooms
240m² Floorplan

OVERVIEW

Light, spacious and renovated apartment, with every room exterior. Includes a parking space and storage room in the same building.

This light and spacious apartment is situated in Pla de Real, a residential area with all types of services, in the centre of Valencia.

It is ready to live in thanks to a previous high quality renovation. Also, due to being on a high floor it offers beautiful views of one of the gardens and the university.

We enter the flat in to a large entrance hall which gives way into the 70m² living-dining room, divided into 3 different areas. This room is east facing and has large windows with beautiful views.

To the right hand side of the living room is the spacious, modern style kitchen with a dining area, larder, a very light gallery and an en-suite guest bedroom with a wardrobe.

From the living room we can also access the night area, with 4 bedrooms and 2 bathrooms. All the bedrooms are very light and have large built in wardrobes. The main bedroom is an en-suite.

The property includes a parking space and storage room in the same building. Also, it comes with double-glazed windows, air conditioning, high ceilings and marble flooring.

This apartment would be ideal for families due to its dimensions and its location, close to schools, parks, hospitals and a variety of services.
