OVERVIEW

Spacious and bright 5-bedroom apartment with a terrace and views across Valencia, for sale in Pla del Remei.

Magnificent apartment on the 4th floor of a building dating back to the middle of the 20th century. The property is located in Pla del Remei on one of the city's best residential streets and boasts large windows and high ceilings.

The apartment is composed of a generously sized living-dining room with a large bay window, a separate kitchen with a gallery which has access to the terrace and courtyard and a laundry room. The apartment has a total of 5 bedrooms, 3 of which are double rooms and 2 single, there are also a couple of storage rooms. The entrance hall and corridors are ample and, running through the centre of the property, allow for a practical distribution. Two bathrooms and an additional storage room complete the property.

Both the apartment and the building are in good condition, although it would benefit from some updating in terms of interior design and in the kitchen and bathrooms. It would also be possible to combine rooms in order to create an immense living area or larger bedrooms with dressing rooms and en-suite bathrooms, according to preferences and requirements.

A fantastic property with lots of potential, ideal for families.
