OVERVIEW

Wonderful penthouse to renovate with 2 terraces for sale in a Modernista building in one of the best neighbourhoods in the city.

Fantastic penthouse to renovate in a Modernista building dating back to 1920, located in a central neighbourhood, near the Turia Gardens in Valencia. The property requires renovation since it is currently used as an office and does not have a kitchen.

We enter the property directly via the living room, which has a ceiling with a visible structure. This space gives access to a 15 m² west-facing terrace. It has 1 complete bathroom with a shower and 1 toilet, both renovated, and there are 2 double bedrooms at the far end which are quite spacious and very bright with as they are east facing, 1 with a window overlooking the block patio and another with access to the rear terrace of approximately 12 m².

It is an ideal home for investors, couples or people who want to enjoy the advantages of living in a charming penthouse, located in the centre of the city.
