A bright duplex apartment with 2 double bedrooms to rent in Pilar

A beautiful designer home that combines traditional elements with modern finishes, situated close to Mercado Central, in the Cuitat Vella area of Valencia.

This 95 m² duplex can be found in Pilar, in a 1910s building that has been completely renovated and has maintained its original spiral staircase.

The property benefits from an abundance of natural light, with views over the street, and has a security system via a digital entry code.

The apartment combines traditional elements, such as high, vaulted ceilings and exposed brickwork, with modern finishes and materials such as glass and metal, creating a cosy atmosphere with a special charm.

On the lower floor we find a spacious, quiet and light living room. This room also boasts a large, glass screen/video projector that can be extended electronically. Next to the living room is the open-plan, fully equipped kitchen. Finally, there is one en-suite bedroom with wardrobes with interior lighting.

The upper floor, which is the floor you enter on, consists of a renovated bathroom and bedroom that could be used as another double bedroom or office, depending on the new owner's preferences.

Also, the property has access to 2 interior patios that cover a total of 8 m² and it comes with air conditioning, heating and double-glazed windows, as a result it is ideal for year round living.

This beautiful duplex would be ideal for both investors and small families.
