OVERVIEW

Fantastic 3-bedroom apartment renovated with the best finishes for rent in the heart of the city.

This 106 m² apartment is located in a building with a lift, concierge service and a communal terrace in the heart of Valencia and close to all services. The apartment was completely renovated two years ago with the best qualities, such as marble floors, white lacquered carpentry, heating and air conditioning in all rooms, and double glazed windows.

It is accessed by a charming entryway that welcomes us to the apartment. An entrance hall with built-in cabinets distributes the different rooms. First, there is a nice bedroom with a walk in closet and private bathroom with a bathtub and separate toilet area, followed by another bedroom with many possibilities. A second bathroom with a large shower serves the rest of the apartment.

Further on, there is a bright living room with large windows and a fully equipped and integrated kitchen, and finally a large third bedroom.

There is the possibility of renting a parking space in the same building.
