OVERVIEW

Excellent renovated 3-bedroom apartment with a terrace and incredible views for rent in Ciudad de las Ciencias, a much sought after area.

This fantastic renovated and furnished apartment is located in the City of Sciences, the most modern area of Valencia. The property enjoys abundant natural light and unparalleled panoramic views of the City of Sciences, the port of Valencia, the sea and the historic centre of the city, thanks to its height and orientation. In addition, it is located in a building with a 24-hour concierge service, community pool, community multipurpose room and a practical gym to get fit without leaving home.

Upon entering, we are welcomed by a comfortable hall that clearly divides the living area from the night area. The day area offers a spacious living room with windows that provide plenty of light and access to a large terrace with stunning views of the City of Sciences and the historic centre of Valencia. Next, we find a comfortable kitchen equipped with new appliances and with excellent views. All the rooms are exterior facing and enjoy breathtaking views.

A beautifully designed paneled hall leads to the night area, which has 3 bedrooms and a separate bathroom. The master bedroom with a private bathroom is a generous size since it was originally 2 bedrooms and also has a dressing room. All bedrooms have fitted wardrobes, which maximize the available storage space.

The floors are marble and the property is equipped with an alarm, hot-cold air conditioning ducts and double-glazed windows to ensure maximum comfort.
