Wonderful fully renovated apartment for rent in El Pla del Remei

Beautiful 3-bedroom property with a very functional layout and elegant design, for rent in a modernist building next to the Mercado de Colón.

This magnificent apartment of 165 m² is located in a charming modernist building next to the emblematic Mercado de Colón and one of the best streets in the Pla del Remei neighbourhood.

It is a very bright and pleasant home, since it receives the morning sun in the bedrooms, and the afternoon sun in the living-dining room. It has recently been completely refurbished with top quality materials and a very functional and modern design, but at the same time retains the beautiful high ceilings, typical of modernism. The furniture is by top brands, and the apartment is decorated with exquisite taste with beige marble floors. It also has heating and air conditioning ducts.

We access the apartment via a spacious hall. On the left is the large L-shaped living room with several balconies facing the street and overlooking the wonderful Mercado de Colón. Next we find a modern toilet with wall paper and a nice design. Further on, we come to the fully equipped kitchen with white lacquered furniture. The kitchen has a square layout and enough space for a table and chairs for more informal meals.

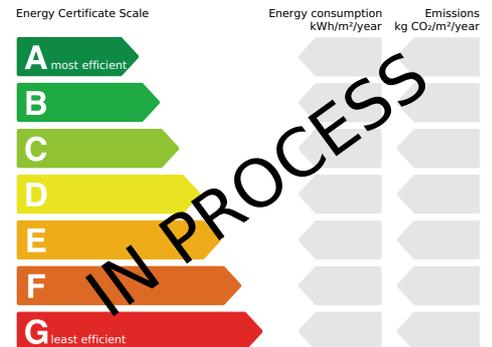

The sleeping area consists of 3 large bedrooms: the main one with en-suite bathroom with a large shower and a large wardrobe area, and another 2 double bedrooms with large fully-fitted wardrobes. The property also has another bathroom with a bathtub.
