Charming 4-bedroom apartment to rent close to the Turia river

Welcoming, furnished apartment with high ceilings for rent in a modernist building in Valencia Old Town.

This 163 m² apartment is in a modernist building dating from 1900 with an elevator and an attractive listed façade. It is in a quiet street in the historic centre of the city, near the Turia gardens and a wide range of services.

The property is presented in excellent condition, having been recently renovated to a high standard. The renovation has recovered original materials and features, such as high ceilings and restored solid wood doors, which give it great charm. The apartment offers spacious rooms and is fully exterior facing and very bright, with a total of 9 balconies on the façade and a large bay window.

The apartment consists of a hall, a living room with an adjoining office separated by a sliding door, the master bedroom with private bathroom, two double bedrooms that share a bathroom, and a storage room containing the washing machine.

All bedrooms are large and have exterior balconies, and it would be possible to use the office as an additional bedroom. It is also possible to rent a garage parking space nearby.

This bright and spacious apartment would be ideal for a family thanks to its location in a central but quiet area of Valencia, close to schools and a variety of services.
