OVERVIEW

Bright open-plan studio penthouse with 1 bedroom, located in the heart of Valencia's Sant Francesc neighbourhood.

On entering the apartment we find a small staircase with four steps leading down to a large and bright living room with hot and cold air conditioning splits. In the corner of this space, there is a practical open kitchen fully equipped with induction hobs, oven, fridge and washing machine.

Next, a wooden staircase provides access to a sliding door opening onto a terrace that offers fantastic city views. The terrace has an area of wooden flooring perfect for spending time outdoors throughout the year.

A wide corridor connects the day area with the night area, which consists of a bedroom with vaulted ceilings, indirect lighting and space for a double bed. This room has fitted wardrobes and a full bathroom.

The excellent distribution has maximized the available space, creating a perfect home for an individual or couple.
