OVERVIEW

Exclusive property with a terrace located on a high floor of a modern, perfectly maintained building in the pleasant neighbourhood of Pla del Real. It has been renovated with top quality materials and enjoys a very functional design.

Exclusive brand new apartment of 229 m² with a terrace and a top quality renovation. It is located on the fourth floor of a building built in 1970, in the Pla del Real neighbourhood, perfectly preserved and with well-maintained common areas.

This property has a modern and functional design, with wide and open spaces, all of them very bright. All the details have been taken care of down to the smallest detail, for a modern and functional design, always using the finest materials, achieving complete harmony between the different spaces and colours.

We access the apartment through the day area, consisting of a very large living room, with a large window to the front and exit to a pleasant south-facing terrace. The living room has two areas, delimited by a custom-made sofa, creating two spaces, one where the 68-inch smart television is located, embedded in a natural marble wall in stone colour, and the living area, with a custom built-in bar cabinet, on a natural wood shelf.

To the left is the dining area, with a large custom-made dining table, in harmony with the rest of the furniture. Right next to it, and separated by a large island, is the kitchen. It has a large storage capacity and all the first-class appliances fitted, as well as a cutting-edge removable extractor hood.

The quality of all the materials and finishes stands out, the perfect combination of different materials, always blending of the different shades, creating a comfortable atmosphere in all spaces.

A guest toilet, hidden behind a natural wood wall, serves the day area.

The night area is distributed in four large double bedrooms, all of them with large wardrobes and bathroom en suite.
