OVERVIEW

Bright country house with 4 bedrooms and private pool for rent in Benaguacil, Valencia.

This century-old house is located in the surroundings of Benaguacil, a few kilometres from the Turia river and the El Osito shopping centre in La Eliana.

The charm of this house is that it has all the comforts offered by living in a large centennial house surrounded by orange trees and tranquility. Thanks to its south-east orientation, it has sun throughout the day.

It is a two-storey building, renovated a year ago with all kinds of comforts and a spectacular design.

All 4 bedrooms have blue heating appliances, double beds, and an en-suite bathroom. The first floor master bedroom has a bathtub and shower. On this first floor there is also a large 60 m² dining room, very bright, with large windows that overlook the pool, and a 40 m² kitchen with a dining area and living room. The kitchen is fully equipped and connected to the barbecue area. This level is completed by a storage room with a toilet.

On the second floor there are 3 bedrooms and a large living room with 6-metre high ceilings with wooden beams. From the balcony, with centuries of history, you can enjoy the sunset over the orange groves. The second floor also connects with a mezzanine with a room and a large round bathtub by Amado Salvador.

The exterior of the house boasts a large garden with grass presided over by a 20 x 7 m pool, with a saline treatment system and two sunbeds at the head. Likewise, the outdoor area has two porches with two dining rooms and a large iron barbecue with an old-fashioned fireplace, as well as a covered car park.

The house offers hot / cold air conditioning in almost all rooms, alarm service, internet, electric shutters, new windows with triple-insulated glass, underfloor heating on the first floor and four fireplaces (one of them for pellets).
