OVERVIEW

Renovated apartment with new luxury finishes for rent in an excellent location in the heart of Valencia, in the privileged neighbourhood of Sant Francesc.

The apartment has an approximate area of 174 m² including a living-dining room, a lounge, two single bedrooms, a double bedroom, a master bedroom with a dressing room, two complete bathrooms and a kitchen.

At the entrance of the property, we find a hall, which leads us to a cosy living-dining room with a large screen Smart TV and fully furnished with high quality modernist style furniture. From the living-dining room, we reach the corridor that houses the first single bedroom.

Moving on, we find the kitchen with a modern design and equipped with a dining table for 6 people, a television on the wall, as well as all kinds of appliances: washing machine, fridge, hob, oven, microwave and dishwasher. From the kitchen, there is access to a small terrace that overlooks the interior patio where the access to the service lift is located.

Later, the two fully renovated bathrooms with wall heaters are presented. Next we find the double bedroom and another single bedroom, both with wardrobes. At the end of the corridor there is another common area like a living room composed of a nine-seater sofa, support table and television. And finally there is the main double bedroom with adjoining dressing room.

The property has a heating and air conditioning system in the living room and master bedroom. It is also presented in excellent condition with a luxury quality renovation, walnut wood floors, as well as double height ceilings.
