OVERVIEW

Large penthouse located in a beautiful period building in the Pla del Remei neighbourhood, with a pleasant 12 m² terrace, 4 bedrooms and 2 bathrooms.

This 188 m² penthouse is located in a building built in 1939, in the heart of the elegant and exclusive Pla del Remei neighbourhood.

The property has a rectangular floor plan, with wide open spaces. It stands out for the brightness of all its rooms, since it is located on a high floor and is east-west facing.

We walk into a small entrance hall with a very spacious kitchen in front of it, with a practical gallery with a technical area and a laundry room. The kitchen has plenty of storage space, with white furniture.

From this area of the property we access a beautiful 12 m² terrace with artificial grass. It is an ideal space to eat, relax in the sun and enjoy the pleasant Mediterranean climate.

Next we access the large living room, divided into several rooms, with large windows overlooking the block patio.

The attic night area is divided into four double bedrooms and two complete bathrooms.

The whole property has wooden floors and individual heating by radiators.
