OVERVIEW

2-bedroom apartment, with a quality renovation and very functional layout, in an unbeatable location in the Pla del Remei neighbourhood.

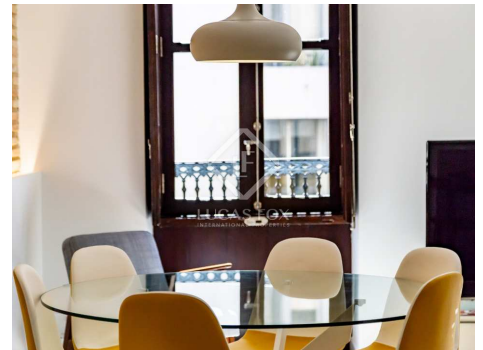

This completely renovated apartment is located in a neat building on one of the most exclusive streets in the Pla del Remei neighbourhood.

The apartment has been completely renovated, with top quality materials and a practical and functional layout, taking care of all the details.

With an area of 90 square metres, the property offers a spacious living-dining room with access to two small balconies facing the facade. In the dining area, the original exposed brick walls have been recovered, combining them with white walls. The kitchen is open to the living room, totally lacquered in white, with a wall of attractive rustic tiles in aqua green. This room has a large storage capacity and built-in appliances.

The night area is divided into a pleasant master bedroom with a private bathroom, a single bedroom and a complete bathroom. Both bedrooms have large fitted wardrobes fully dressed and lacquered in white.

The property has natural wood floors, as well as hot / cold air conditioning through ducts and double glazing. The furniture is also designed using simple lines and combines perfectly with the style of the renovation, creating a warm and welcoming atmosphere.
