### OVERVIEW

## Bright modernist apartment, with high ceilings and furnished for rent on Gran Vía Fernando el Católico.

On the top floor of a modernist-style building with a newly installed lift, we present this cosy and bright rental home with a brand new complete renovation.

Upon entering the property, we are welcomed by a living-dining room that receives abundant natural light from two large windows, one of which has access to a pleasant viewpoint, and a skylight that opens onto the facade of the building and gives it a unique view.

Next to the entrance we have a complete bathroom with a shower and the kitchen, which opens to the living room. Next comes the night area, oriented towards the inside of the building. Here we find the master bedroom with dressing room, private bathroom and access to a generous balcony that overlooks with the block patio, as well as an additional bedroom that opens onto a light well.
