OVERVIEW

Wonderful renovated 3-bedroom penthouse with access to a pleasant terrace in one of the best areas of Valencia.

Upon entering the house, we are greeted by a spacious living-dining room with an open and fully equipped kitchen with high-quality appliances and access to the large terrace.

Next, we find the corridor that separates the day area from the night area.

The night area offers a master bedroom with a private bathroom, a dressing area and a balcony-type terrace. Next, there are two single bedrooms, both with large wardrobes. Between them, there is a complete bathroom that serves both bedrooms.

The house was completely renovated in 2009, and is equipped with hot and cold air conditioning through ducts and heating by radiators. It should be noted that the penthouse is newly renovated.

An excellent option for any family looking to live in the centre of Valencia.
