OVERVIEW

Excellent exterior-facing apartment, renovated and brand new, with pleasant views, for rent in Valencia.

This apartment is located in one of the most unique areas of the city centre, with beautiful open views towards the architecture of the adjacent buildings around a wide pedestrian plaza.

The property stands out for its large living room with a huge panoramic window that can be opened to allow plenty of natural light to enter, thus creating a unique space.

Next to the living room, we find the kitchen and a hall that leads us to the three spacious bedrooms: two doubles and one single. The master bedroom has a large open dressing room and an original private bathroom. The apartment is completed by another complete bathroom.

This property pleasantly surprises us as we walk through it and each of its spaces is useful and special.

It has a fresh, cosmopolitan, urban design. For this, the materials (leather, wood and marble) have been carefully selected in a combination of shades of grey.

The possibility of furnishing the house is valued.
