OVERVIEW

Bright three-bedroom house in excellent condition in the Extramurs area

This house is located in a construction building completed in 2020, very close to the Botanic garden, in excellent condition.

The finishes of the house are of first quality, wooden floors throughout the house and porcelain in the wet areas (kitchen and bathrooms), exterior carpentry with great thermal and acoustic insulation, white lacquered interior carpentry and air conditioning by ducts with hot / cold air pump.

The house has an area of about 170 m2, and is exterior in all its rooms.

When entering the house we find a large hall that gives us access to a huge living room with lots of light thanks to its large windows to the street. On the left we access the kitchen with all the integrated appliances and space to place a small table and chairs.

The master bedroom has a large wardrobe and an en suite bathroom with a shower.

The other two bedrooms are double and with built-in wardrobes.

In addition, there is the possibility of renting a garage space for € 100 on the same property.
