OVERVIEW

Elegant 3-bedroom apartment, fully furnished, for rent next to the Mercado de Colón and the Turia River Gardens.

Spacious and elegant home in the heart of the Eixample neighbourhood in front of the Mercado de Colón and a few metres from the Jardines del Río Turia.

This beautiful apartment is fully furnished. It consists of a living room with large windows that allow the entry of abundant natural light thanks to its northeast orientation. The dining area has a large table for eight or ten people, while the living room area has an electric fireplace, a large Smart TV and all kinds of decorative details. Next to the living room area, the open kitchen is presented with a generous island and large floor-to-ceiling cabinets. It is equipped with all kinds of high-end appliances and household items, such as toaster, coffee maker or juicer, among others. This room has a modern design, with high-quality finishes and a colour scheme and well-studied lighting that give it a lot of light.

From here, we access the night area, made up of three large double bedrooms with large closets and large windows through which a lot of light enters. The master bedroom has a private bathroom and built-in wardrobes that span one wall. A complete secondary bathroom with shower, which respects the design of the rest of the home, completes this exclusive apartment in the neighbourhood right next to the Colón Market.

It should be noted that the apartment has parquet floors, heating by radiators, hot and cold air conditioning and double-glazed windows with automatic shutters.

A fully furnished home with all kinds of details ready to move into. A fantastic opportunity for families who want to live in one of the most exclusive areas of Valencia.
