OVERVIEW

Wonderful 5-bedroom home with spacious, bright rooms and views of the Turia Gardens for rent in an ideal area for families.

This magnificent home with impressive views of the Turia Gardens is located in one of the most coveted buildings on Jacinto Benavente Avenue. It is a large, bright apartment with privileged views, very close to the city centre. Its panoramic windows offer incredible views, one of the main attractions of the apartment, which has 5 bedrooms.

The apartment is accessed through a large hall and a corridor that connects with the living room with a double bedroom. The living-dining room is large, as well as offering spectacular panoramic views of the Turia Gardens through large windows and a balcony. Adjacent to the living-dining room, there are 2 double bedrooms, one of them with a private bathroom. In front of the dining room, we find an equipped kitchen with access to a gallery. Next to the kitchen, there is a complete bathroom with shower and another double bedroom. From the living room, we also go to a bright and totally exterior-facing studio that enjoys the same views as the living room.

The apartment is composed of high quality materials and wooden floors. It has hot/cold air conditioning units in 2 bedrooms and in the living-dining room. The house has high ceilings and decorated mouldings.

An ideal home for families who want to live near the centre, but in a residential environment with unobstructed views of one of the most important green spaces in the city, the Turia Gardens, with the Palau de la Música and Gulliver Park.

Pets are not accepted.
