OVERVIEW

Newly renovated brand new house, with 5 bedrooms, service apartment, garage, garden and pool for rent in Campolivar.

Lucas Fox presents this magnificent house for rent in the most stately area of the Campolivar development , between Godella and Rocafort.

The house has been recently renovated and has not yet been lived in. Enjoy a large garden plot facing east and south, with a beautiful saline water pool with pre-installation for air conditioning.

Inside, the great spaciousness and luminosity of the spaces of the property stand out. We start in the entrance hall, with a double-height ceiling to the upper floor , with the staircase on one side and access to the living-dining room on the other. The living-dining room and kitchen are integrated into a single room that covers the entire length of the property on its south side, which is perfectly complemented by a large terrace with a porch that overlooks the pool and barbecue area at the end. .

The bedrooms are located on the upper floor , except for a fifth bedroom which is located on the ground floor , ideal for giving privacy to guests.

In addition, on the lower ground floor there is a large leisure living room with various rooms and a service apartment with independent entrance from the exterior, which has a living room and kitchen, two bedrooms and a bathroom.

The property has plenty of space for parking vehicles, both exterior and inside. It is heated by gas radiators and has air conditioning.
