OVERVIEW

Newly renovated 3-bedroom penthouse with a spacious dining room with a 60 m² terrace overlooking the Turia river for rent in the historic centre of the city of Valencia.

Lucas Fox Valencia presents this exclusive brand new penthouse located in a new building with pleasant views from the same building of the Turia river and the Torres de Quart, in the heart of the city of Valencia.

This wonderful penthouse is distributed in a spacious living-dining room with large windows that allow abundant natural light to enter and with access to a wonderful terrace of approximately 60 m². In this same open space, we find a designer kitchen with an island and a marble dining room table. The space has large windows that offer direct natural light to the kitchen. The kitchen is equipped with all high-end appliances, a separate laundry area, as well as a built-in office unit with folding doors that remain completely hidden.

The property has clearly differentiated the day area and the night area with a wide corridor. Following the corridor, it leads to the main bedroom, very spacious and bright with two of its walls with built-in wardrobes and dresses and a complete private bathroom, both with a bathtub and a shower cabin. The other two bedrooms are double and also have built-in wardrobes. Finally, the second bathroom in the night area serves these two bedrooms.

The property has great qualities such as the hot / cold air conditioning system, natural wood floor, gas heating and osmosis system, among others.

The building has the advantage of having a concierge service.
