### OVERVIEW

## 4 double bedroom apartment for rent in one of the best areas of Valencia, next to the riverbed and perfectly connected.

At the entrance of the apartment, the original wooden door and half arch is preserved, giving us access to a large entrance hall. From here, we go to the first bedroom, equipped with a window to the light well, air conditioning with individual thermostat and heating by iron radiators. The bedroom has television, telephone and plug sockets.

The next room is the living room, with wooden laminate floor, air conditioning with an independent thermostat, iron radiators and two large windows facing the adjacent Gran Vía street. We turn left and the hallway takes us to the kitchen, very spacious and Square, with lots of cabinets, large countertops and fully equipped with all appliances.

The second bedroom has a window to the courtyard, ducted air conditioning with independent thermostat, heating by iron radiators, telephone and television socket, as well as several plugs. It does not have a built-in wardrobe.

In the hallway, we find a bathroom with double sinks, bidet, toilet and bathtub. The next bedroom offers air conditioning and iron radiators, a built-in wardrobe and a window to the patio. If we reach the end of this first part of the hallway, we will see another bedroom with air conditioning and heating with iron radiators and a built-in wardrobe. The fourth double bedroom has built-in wardrobes.

At the end of the hallway we find a large bathroom, with a bathroom cabinet and double sink, bidet, toilet and a bathtub with a screen and a bench for easy access.
