OVERVIEW

Excellent 4-bedroom apartment with a large terrace and incredible views for rent in Ciudad de las Ciencias.

This fantastic renovated and furnished apartment is located in the City of Sciences, the most modern area of Valencia.

The property enjoys, thanks to its height and orientation, abundant light and incomparable panoramic views of the City of Sciences. It is also located in a building with a 24-hour concierge service, community pool, community multipurpose room and a practical gym to get in shape without leaving home.

Upon entering, we are welcomed by a comfortable lobby that leads us to the right to a spacious living-dining room with access to a small terrace that offers visits to the Reina Sofia Palace of Arts. Next to the dining room, there are two double bedrooms with large windows also with views and large built-in wardrobes. Next to the bedrooms, we find a complete bathroom with a shower. We continue down the hallway and to the right, there is a large kitchen equipped with good brand appliances. From the kitchen, we access the gallery with a washing machine, dryer and utility room. Towards the southwest of the property, we access the main bedroom with a private bathroom with a bathtub and a double bedroom, both with views of the Music Bands garden.

The property has great qualities such as marble floors, ducted air conditioning and double-glazed windows to guarantee maximum comfort. The property is rented furnished and with a parking space.
