OVERVIEW

Bright brand new penthouse, with a high-quality renovation and a careful design, with a pleasant terrace, for rent in the centre of the city of Valencia.

The apartment is located in an elegant building from the beginning of the 20th century located next to the Valencia City Hall square. It stands out for its design and luminosity and for having a cool and pleasant terrace to the east.

The attic offers a simple, practical and cozy layout . The property has two entrances, the main one and the service one. From the main access , the large living area is presented: an open-plan space that combines the living-dining room and the kitchen. It is a very bright room , since a lot of natural light enters from different orientations. A utility room and a bathroom complete the day area.

The night area consists of three bedrooms, all doubles and with plenty of storage space. Two of them offer a private bathroom and large dressing rooms.

The terrace is one of the highlights of the property, with access from the main bedroom or from the layout space, in case you want to take advantage of it with guests.

The property offers an excellent environment, thanks to the choice and combination of materials and the entry of abundant natural light.
