OVERVIEW

Fully furnished, semi-new 3-bedroom apartment in a residential area with parking in the same building and a pool for rent in the City of Sciences, Quatre Carreres

This magnificent 131 m² apartment is located on the top floor of a building in the Nuevo Valencia area, Quatre Carreres, and enjoys stunning panoramic views.

The building was constructed in 2022, so it boasts completely new facilities. The property has a parking space in the same building, and the building also offers concierge service, a communal pool, and a common lounge area.

We enter the property through a practical and spacious entrance hall and on the right, we find the main bedroom with its bathroom .

From this same entrance hall, we also access the separate kitchen and the spacious living-dining room.

The living-dining room is very bright thanks to the large number of windows, providing plenty of light throughout the day. This is an exterior property, both in the dining room area and in the bedrooms.

Next, we enter the area with the other two bedrooms with built-in wardrobes and the second full bathroom .

The property is sold with a parking space within the same building.
