OVERVIEW

Contemporary apartments in a new project located in Marbella, less than 10 minutes from the city centre.

Venere is an exciting boutique development consisting of 44 luxury apartments and penthouses located among the pine trees and golf club of Cabopino, Marbella.

Each of these luxury apartments will enjoy a bright and open main living space with floor-to-ceiling windows and doors, allowing all the natural light to flood the homes, whilst enabling you to extend your main living and entertaining space out onto the large private terraces and gardens where you can take in the spectacular views on offer.

Back inside, there is a modern fully fitted kitchen with a selection of appliances and a central island, and you have the choice of either 2 or 3 spacious double bedrooms with fitted wardrobes and 2 stylish modern bathrooms, set in either a ground floor or penthouse option.

The communal areas will offer a large central pool as well as a fully equipped gymnasium and social club.

All the properties in Venere Residences include 2 parking spaces and a private storage room.
