Beautiful 5-bedroom villa with a private plot for sale in the area of Santiago de Compostela, A Coruña

Fantastic private property on a one-hectare plot, located a short distance to Santiago de Compostela and walking distance to natural surroundings.

This stone villa is situated a short 20-minute drive to Santiago de Compostela, the capital of Galicia and known for its history and culture. Nearby there are streams and a small lake where you can enjoy the lovely sounds of the natural wildlife, explore trails and swim.

The private property measures a total of 10,000 square metres, all completely private and gated and consists of the main 3-storey villa and an auxiliary home for guests

Upon entering the property, we are welcomed by a lush green garden filled with beautiful tall oak and pine trees, followed by old stone statues, lovely plants, flowers, terraces and flat green areas to enjoy with your family and guests.

On entering the villa, we discover a pleasant reception area that leads to the open layout living and dining room and a nice little lounge to enjoy reading or to play board games. Behind this we find a modern kitchen with top quality appliances to enjoy cooking with family and friends. The whole area benefits from access to the exterior porch that overlooks to the garden.

On the first floor, we find the sleeping area which has 3 bedrooms, with built-in wardrobe and private bathrooms and the master ensuite bedroom and a small study, again this area benefits from views of the garden area.

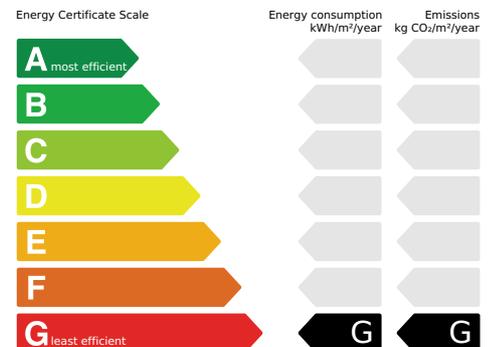

The ground floor offers a library office area and bathroom. This area has direct access to the garden as it is on the same level. There is plenty of exterior parking space and a garage for three cars.

A great large property for a family looking to live near Santiago de Compostela and a perfect home to hold social events, or just to enjoy and relax with the family.
