Charming stone cottage for sale near Vigo city in the area of Carracido, Pontevedra

Wonderful opportunity to acquire a charming stone cottage with four bedrooms, private garden area and a rental business.

The home dates back to the early 1930s and you can still find unique features from its original state. The home has been adapted throughout the years with renovations and updates.

The property has a welcoming garden which leads up to the cottage featuring beautiful landscaping with mature fruit trees, giving it a private and green area for guests. The property offers a large enclosed gallery which is currently used as a large dining area.

As you enter the home you access the lounge area which leads to the living and dining room. This area offers high ceilings and a wood-burning fireplace plus many original features. It leads to a small kitchen updated to suit a modern-day lifestyle. On this level you will also find a bathroom.

On the first floor, we have the sleeping section with two bedrooms, a walk-in wardrobe, a bathroom and plenty of storage space. Two additional bedrooms with a bathroom complete the third level.

The property is located on a small hilltop surrounded by lush areas, outdoor seating to relax or read a book, lovely pathways, fabulous all season plants and flowers.

This property would be suitable for a small family looking to spend time in Galicia, investors looking to purchase and generate a rental income from its business, or anyone looking for a nice charming cottage near Vigo city.

The property is sold with furniture and appliances.
