OVERVIEW

A fantastic standout mansion in the Rías Baixas for anyone looking for privacy and an exclusive location with calm and peaceful surroundings. One of the most elegant and unique properties for sale on the south coast of Galicia.

This is the ideal lifestyle property for anyone looking for elegance, privacy, investment and location. One of the most exclusive mansions for sale on the south coast of the Rias Baixas, with a unique design, layout, stone finish and location at the tip of a coastal cape.

It is found in a residential area surrounded by natural forest land and offering the most breathtaking views of the Atlantic Ocean, the Cies Islands and the coastal fishing town of Baiona.

The large property measuring a total of almost 4,000 sqm is finished with a 3.5-metre high perimeter stone wall, offering good security and privacy. Once inside, we are welcomed by a cobblestone path that leads us to the mansion's main entrance and other garden areas. Wonderful experiences await us inside the property, surrounded by tall trees and lovely views. The landscaping was designed to make this area peaceful and to shelter it from the wind, thanks to its strategic location. All you experience is the sound of the waves breaking on the coastal terrain.

The mansion's design is all stone finished and has significant open levels of space, with two grand entrances and dual aspect windows offering breathtaking views in many rooms, making this a superb home for entertaining and tranquillity at the end of the day, with sunsets on this Atlantic Ocean side.

The grand reception hall with an impressive 6-metre high ceiling and a vast stone staircase leads us to the left and right-wing of the mansion.

We find a large, fully equipped eat-in kitchen with a grand stone fireplace and access to the outdoor dining area in the garden. A library room in this same area can be used as a study, office, or converted into another bedroom if needed.
