An outstanding estate with stunning panoramic ocean and estuary views, on a large ocean front private plot, easy access to beaches and situated in one of the most sought-after areas of the Rias Baixas in Galicia.

This outstanding villa is built with top quality materials throughout and boasts an excellent layout overlooking the estuary of Muros and the Atlantic Ocean in the Rias Baixas area of Galicia, Spain.

It offers a total built size of 500 m² on ten hectares of private land. The villa offers a nice layout, with a sleeping area for 4 en-suite bedrooms, a large living and dining room, a private library/office area, and terraces and balconies with fantastic sunny views on all levels. The large terrace that borders almost the entire house on the top floor offers stunning, unobstructed sea views.

In the grounds, we find open spaces, a lovely garden section, access to beautiful beach coves, a small forest area, with all areas offering gorgeous views. The exterior section of the villa is finished with natural Galician type stone and teak wood. Inside, we find all oak finished wood flooring and aluminium and wood joinery, double-glazed windows and shutters, all of good quality throughout.

We are welcomed by a reception area that distributes the villa over three levels. We find the large open living and dining room, a library/study, the eat-in kitchen, and one bedroom on the main level. On the first floor, we find the sleeping area with 4 en-suite bedrooms, and we will find the rustic-style kitchen with access to the garden area, machine room, laundry room, and parking for 3 cars on the ground floor, with plenty of space for storage.
