Outstanding 3-bedroom apartment with stunning seas views for sale in the area of Alcabre, Vigo

Fabulous 3-bedroom apartment on a high floor, offering stunning ocean views of the Vigo Estuary, very well situated, fantastic common areas, a good layout and walking distance to the beach.

This apartment, located on a high floor, enjoys stunning views of the Cies Islands and the sea and the mountains.

We are welcomed into the community with complete privacy and security, and the community offers a 24-hr surveillance to access. The building dates back to 2006.

The apartment is situated on a corner side of the building facing southwest, benefits from abundant sunlight in the summer and winter seasons throughout the entire day.

Once inside, we are welcomed into the apartment by a pleasant entrance hall which leads to the open living-dining room to the fully equipped kitchen with a dining area and bedrooms.

The sleeping area is on the right side of the apartment and includes one double bedroom and one single bedroom, all with built-in wardrobes. Afternoon sunshine and stunning sunsets behind the Cies Islands can be enjoyed from each bedroom.

Just down the hall, towards the left, we find the master bedroom with an en-suite bathroom.

The property is presented in good condition with high-quality decoration and finishes. Two parking spaces and a storage room are included in the price.

The property would be ideal for a small family or a couple looking to move close to the city centre but in a more relaxed environment and within walking distance to Bouzas and lovely beaches.
